for damages to bathers and other visitors. It is the bather's responsibility to lock the locker properly, to ensure that it is locked securely and to keep the key in a safe place.
3. The limitation of liability in accordance with Para 1 also applies to the parking spaces used by the visitors of the Schätzlerbad.
4. Wishes, suggestions and complaints are either accepted by the supervisory or cashier station staff or the management. If possible, remedy is provided immediately.
